

Know Your Limits

Every year, more than 200 people have to be rescued while hiking in parks and preserves. Make an informed decision on which trail to hike. Choose a trail that is within your ability and your hike will be more enjoyable.

Be sure to ALWAYS:

- Stay on designated trails.
- Tell someone where you are hiking and when you expect to return.
- Carry enough water for your entire hike. Remember water for your dog.
- When your water is 1/2 gone, turn around and return to the trailhead.
- Carry a cell phone.
- Don't hike alone.
- Wear appropriate footwear and clothing for hiking.
- Use maps, know where you are going and what kind of terrain you are hiking on.
