Passes are non-transferable, but there is an option of purchasing an additional Annual Pass card for \$20 per person for members of the same household/address. Park staff will contact the pass owner to come pick up their pass.

When does the pass expire?

Whether you buy the pass for yourself, or as a gift, the Annual Passes are valid for twelve (12) months from the date of purchase. Additional cards expire on the date of the primary pass, regardless of date of purchase.

Yes. If staff notice there is excessive entry without a pass present, staff may request the purchase of a replacement card.

I lost my hang tag, can it be replaced?

Yes. There is no cost to replace a hang tag.

Is there another option to the \$48 Archery Fee?

Yes, archers can opt to pay the \$2 per archer per day fee.

Using the Iron Ranger/Self-Pay Station

When entering the park(s) either by way of the main entry (no staff available to scan your pass), or by the trail access points with iron rangers/self-pay stations, please stop and complete the entry ticket. This enables us to see the true usage of annual passes.

Also, if entering by vehicle, indicate how many people are in your vehicle so park attendance may be tracked. This helps the park better understand the usage of the passes, and is used to assist with programming efforts.

ABOUT YOUR MARICOPA COUNTY PARKS AND RECREATION ANNUAL PASSES

Annual Passes provide a convenient and affordable way to visit Maricopa County's regional parks. The passes provide day-use access to more than 120,000 acres of pristine Sonoran Desert parkland, and 100% of the proceeds from the pass sales are used to improve and enhance visitor recreation services. For those who visit the regional parks more than 13 times during the year, this option could provide you with substantial savings.

Please note, the annual pass offers park visitors a cost-savings option and is not a priority pass. The pass does **not** guarantee entry into the parks when capacity limits have been reached and are temporarily closed.
