UPCOMING MONITORING PROGRAMS

Have you ever wanted to learn more about butterflies? Well, here is your chance! The Maricopa County Parks and Recreation Department is hosting a butterfly monitoring workshop and several butterfly monitoring events to help determine population trends, species richness, and diversity within the county. Attend the workshop and learn:

- Sulphur and Skipper butterfly identification
- And much more!

To learn more about our butterfly program, visit <https://www.maricopacountyparks.net/about-us/butterfly-monitoring/>. Then, put your skills to the test at one of our upcoming butterfly monitoring programs.

SATURDAY, MARCH 21, 2026

9:30 AM - 12:30 PM

AT THE FOLLOWING PARKS:

- **Estrella Mountain Regional Park**
- <https://signup.com/go/vLQffUt>
- **Hassayampa River Preserve**
- <https://signup.com/go/sjbJByq>
- **Spur Cross Ranch Conservation Area**
- <https://signup.com/go/KqcfErn>
- **Usery Mtn. Regional Park**
- <https://signup.com/go/xGzuCTL>
- **White Tank Mtn. Regional Park**
- <https://signup.com/go/ezpWufk>

Maximum 10 participants per park, first-come, first served. Meet at the Nature Center. Spur Cross attendees meet in the Dragonfly parking lot. Please bring water, a snack, a hat, sunscreen, closed-toed shoes, and be prepared to walk in the desert. Participants should be 18 or older. Young adults (13+) may participate with supervision or a parent's waiver.
