INTRODUCTION

This manual has been developed as an orientation and procedures tool for the members of the Maricopa County, Arizona, Parks and Recreation Advisory Commission. The Commission acts in both an advisory capacity to the Maricopa County Board of Supervisors and as a policy maker in certain aspects of the operation of the Parks and Recreation Department.

We hope each member of the Commission will carefully study this manual in an effort to better understand the structure, history, and responsibilities of the Commission, and help develop the proper framework to advance the Parks and Recreation movement in Maricopa County.
