# TEMPORARY CLOSURES FOR IMPROVEMENTS

From February 12–March 12, the **Merkle and Vista Trails, and the associated trailhead parking lots**, will be closed for an improvement project. Materials and equipment will occupy the area throughout the project.

The project will focus on necessary repairs due to erosion damage from weather events. Repairs include additional culverts, tread replacement, water control basins, and rip-rap to mitigate the effects of water on the trail.

**Thank you for your patience while we complete these upgrades.**
