Meetings to focus on Agua Fria conservation area scheduled

(Morristown) – On July 1, 2007, the Maricopa County Parks and Recreation Department and Bureau of Reclamation began enforcing the restriction on motorized vehicle use in the Agua Fria conservation area at Lake Pleasant Regional Park. The decision to enforce Park Rule R-107 was made to ensure public safety and to protect the conservation area.

At this time, the agencies are in the process of preparing a long-term plan for the area and would like to hear from members of the community who recreate in the Agua Fria conservation area. Interested parties are encouraged to attend one of three upcoming public meetings:

- September 6, 6:30 p.m., Desert Outdoor Center on the east side of Lake Pleasant Regional Park, 41402 N. 87th Avenue, Peoria.
- September 12, 6:30 at the Desert Outdoor Center.
- September 17, 6:30 p.m., Albins Civic Center located at 19005 E. K-Mine Road Center in Black Canyon City.

Driving directions for each location may be found at www.maricopa.gov/parks. Parties that can not attend a meeting but would like to submit comments may do so via the website at www.maricopa.gov/parks/lake_pleasant/AguaFriameetings.aspx.
