LAKE PLEASANT REGIONAL PARK ROADRUNNER CAMPGROUND

ALL campsites and restrooms in the Roadrunner Campground will be TEMPORARILY closed from July 5, 2022, to December 31, 2022. And, effective January 5, 2022, reservations for ANY date in that range will not be accepted online or in person.

From July to December, contractors will be making electrical and water line upgrades to ALL 75 campsites and park host sites. These upgrades will enable the maintenance staff to make repairs to individual breakers versus closing multiple campsites at a time.
