Welcome to San Tan Mountain Regional Park

Consisting of 10,198 acres, this southeast Valley Park is a fine example of the lower Sonoran Desert. The park ranges in elevation from about 1,400 feet to over 2,500 feet. Goldmine Mountain is located in the northern area, with a spectacular San Tan Mountain escarpment in the southern portion of the park. The vegetation varies from creosote flats to dense saguaro forests. Various types of wildlife may be observed, including reptiles, birds, mammals and arthropods.

Park Rules

PLEASE OBSERVE PARK RULES! Park rules are posted throughout the park; they are also available as a handout.

Park Information

San Tan Mountain Regional Park was established in 1986, through a cooperative agreement with the Bureau of Land Management (BLM) and an intergovernmental agreement between Maricopa and Pinal County. San Tan is located at the crossroads of diverse communities, regions, and cultures. The park is in demand to meet the needs of a regional area extending south from central Maricopa County and the East Valley of metropolitan Phoenix, into northern Pinal County. It is important that certain irreplaceable natural open space resources be preserved and that conservation management guidelines be established by the residents of the region to insure the integrity of the San Tan Mountains against degradation.

Located just south of the Maricopa/Pinal County line near the Town of Queen Creek, San Tan Mountain Regional Park has been used for decades for various recreation activities such as hiking, equestrian riding, and mountain biking. The park is rich with unique historical, cultural, and biological resources. The park’s master plan seeks to provide programmed recreation activities that meet the needs of the existing users, future park visitors, and the growing East Valley population while protecting the park's natural, Sonoran Desert mountain environment.

A Visitor Center with restroom facilities, souvenir items, fascinating wildlife displays and local artifacts is available at the main park entrance located on Phillips Road. Relax outside near the Visitor Center by viewing the Buddy Pond, enjoying a snack at one of our picnic tables, observing the chuckwalla or desert tortoises playing in their outdoor enclosures, or paying tribute at the Nathan Martens Arizona Memorial (honoring the fallen soldiers from the Iraq and Afghanistan Wars). Additional amenities are slated for future development.
